The William Blount Shooting Team (WBST) teaches youth the importance of firearms safety while molding the future sportsmen/women of Tennessee Shooting Sports. This is accomplished by instilling the personal values of self-discipline, self-confidence, leadership, responsibility, sportsmanship, commitment and teamwork. WBST's goal is to not only create great athletes, but to create great citizens and future community leaders as well.

WBST is a Non-Profit 100% Volunteer Organization. All proceeds directly benefit our student athletes.
